

Agency Certificate 2024

Horizon Consultancy LTD

Horizon Consultancy Ltd is a leading Turkish consultancy specializing in sustainability and net-zero solutions. As Turkey's exclusive partner of ClimatePartner, Horizon empowers businesses to align with international environmental standards through innovative carbon footprint management, product lifecycle assessments, and Science Based Targets (SBT) consulting.

ClimatePartner confirms the framework agreement to operate as a trusted third-party agent in **Turkey**. This provides Horizon the ability to offer ClimatePartner services and the ClimatePartner certified label.
